

# EcoCommitted™ Partner Program

## PROJECTS SUPPORTED

### CARBON - RENEWABLE

#### Improving Local Energy Through Wind Power

This Wind Farm Project works to displace coal-fired energy with renewable power to meet an increasing demand on the power grid.

China - VCS 1037

## OPTIONAL PLASTIC IMPACT

### PLASTIC RECOVERY

#### Ocean Bound Plastic Recovery Project

Orphan plastic is prevented from polluting rural coastal communities, protecting waterways and public health.

Vietnam & Cambodia - TonToTon
